MISSION STATEMENT

*Inspiring Catholic Faith and Principles
While Encouraging Academic Excellence*

PHILOSOPHY

We, the faculty of Visitation of Our Lady School, as Catholic educators, in conjunction with the parents who are the primary educators of their child(ren), work together to integrate the teachings of Catholicism, Christian values and academic excellence within the school setting and aim for the total development of each unique child. Thus, the students are enabled to become fully integrated Christian persons who recognize Christ in others and themselves and contribute uniquely to their community. We believe that through our educational apostolate, our students are empowered to receive and understand the message of Christ, share it in service, in community, and celebrate its embodiment through worship.

We attempt to create an atmosphere of positive awareness in the areas of:

1. Spiritual Development - Emphasizing living in accord with the teachings of Christ and His Church.
2. Moral Development - Guiding the students in decision-making, through a deep understanding of right and wrong as taught in Holy Scripture and the tradition of the Catholic Church.
3. Emotional Development - Aiding the development of positive self-concept and acceptance of one another as individuals.
4. Intellectual development - Attempting to challenge each child to reach his/her academic potential - recognizing the unique abilities of each child.
5. Social Development - Encouraging positive interaction with one another in order to become a contributing member of society.
6. Physical Development - Encouraging respect for the human body.

In order to implement the philosophy of V.O.L. School, we propose the following objectives:

1. Spiritual Development
 - a) Be examples of Christian living to one another
 - b) Begin and end each day with prayer
 - c) Provide instruction in religious truth and values
 - d) Take part in meaningful liturgical celebrations
 - e) Encourage parents to attend student Masses and paraliturgical services
 - f) Organize activities for the student body which will help build a community of faith
2. Moral Development
 - a) Give opportunities for decision making by presenting the alternatives, and stressing personal responsibility in deciding between right and wrong
 - b) Establish an atmosphere in the classroom for openness and trust
3. Emotional Development
 - a) Be aware of the need for positive reinforcement in all relationships
 - b) Foster a level of awareness of the dignity of each person

July 11, 2018

4. Intellectual Development
 - a) Provide varied learning experiences according to the needs of the individual child
 - b) Emphasize academic achievement
5. Social Development
 - a) Provide services for the immediate and larger community
 - b) Open doors to community involvement in our school
 - c) Encourage respect for the rights and property of others
 - d) Foster an appreciation of cultural diversity
6. Physical Development
 - a) Emphasize personal hygiene and nutrition
 - b) Stress physical fitness
 - c) Foster chastity using guided Christian principles

CURRICULUM

Visitation of Our Lady is a Louisiana State approved and AdvancED/SACS accredited Catholic school that offers a strong basic curriculum. Emphasis is placed on individual needs and learning styles in an environment that stresses Christian values. Students are challenged to develop a firm foundation in lifetime skills. In addition, we also offer:

- A Pre-Kindergarten 2 year old program for children who are two by September 30th.
- A Pre-Kindergarten 3 year old program for children who are three by September 30th.
- A Pre-Kindergarten 4 year old program for children who are four by September 30th.
- A Middle Grades Program in grades 5, 6, and 7 that addresses the needs of early adolescents. This program includes, exploratory courses, interdisciplinary teaming, honors classes and extra curricular activities.
- A Language Arts Lab that provides instruction to students in 2nd-6th grades with special needs if they meet the criteria for admission.
- Weekly Masses for all students in Pre K-4 through 7th grade.
- 2 computer labs, 4 Chromebook labs and 1 to 1 in 7th grade which allows students to become active participants in research and learning.
- Smart Boards in all classrooms.
- A hands on approach to science through experimentation in an equipped science lab.
- Title I Remedial Reading and Math program to help qualifying students.
- Updated textbooks.
- The use of a school wide discipline program which stresses positive affirmation for appropriate behavior.
- The services of a guidance counselor are available.
- Web Site at <http://school.vol.org>.
- Daily homework assignments can be verified via the web site.
- Before and after care services are provided in the morning from 7:00~7:30 a.m. and in the afternoon from 3:00~6:00 p.m. The costs of these services are established at the beginning of each school year.
- Gymnasium with basketball and volleyball courts and full stage.

ADMISSIONS

Visitation of Our Lady School admits students of any race, color, national and ethnic origin to all of the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in the administration of its educational policies, admissions policies and other school administered programs.

REGISTRATION

Registration is held on a yearly basis.

All parents registering children do so with the understanding that they must take part in all aspects of the curriculum. New students are accepted on a nine-week probationary period. New students transferring from other schools may or may not be accepted if they have a sibling currently enrolled at Visitation. If a parent deliberately withholds information about a student concerning behavior or learning problems, that student will be asked to withdraw from school, and the registration fee will not be refunded.

Authorization & Release of Records/Information

Parents authorize any school previously attended by their child(ren) including but not limited to any school denominated as a Catholic School by and/or under the vigilance of the Archbishop of the Archdiocese of New Orleans pursuant to Canon Law of the Roman Catholic Church and which my/our child has attended in the past, to send a copy of any and all school records, including but not limited to any and all transcripts, standardized test scores, attendance records, special-education records, disciplinary records, financial records in regard to payments of fees and/or tuition, and /or any and all other educational and/or social or informational records. The foregoing authorization also applies in the event the school authorized to receive the foregoing records, receives an inquiry in the future from any other Catholic School as described above for records and/or information; and, in that event, such school is then authorized to send such records and/or information to the requesting Catholic School. Further, in consideration of the sending and receipt of such records any related consideration, I hereby agree to release, defend, indemnify and hold harmless the owners of and/or any such schools that send and/or receive the aforementioned records, The Roman Catholic Church of the Archdiocese of New Orleans, their members, directors, officers, administrators, principals, teachers, employees, agents and/or representatives and the Archbishop, bishops and all clergy of the Archdiocese of New Orleans, from any and all claims, demands and/or causes of action arising from the sending and/or receipt of the aforementioned records and/or from the content of such records.

PARENTAL SUPPORT

Fundraising/Volunteerism/Tuition Gap

Visitation of Our Lady School has been an educational pillar in this community for over 50 years. To fulfill our school mission and maintain our academic excellence, we depend on our parents for help and support. We are committed to excellence but at the same time work to keep our tuition costs at an affordable rate for parents. The yearly tuition rate collected does not cover the actual per pupil cost to educate a child. Day to day operations of the school as well as technology integration and academic programs can all be enhanced through fundraising efforts. The Co-Op

Club, our school's parent organization, sponsors annual fundraisers and we rely on parent participation to ensure success. Revenue from these fundraisers helps to bridge the gap between tuition and actual per pupil costs. Volunteerism is another important way parents can help support VOL. Parental support and generosity in these endeavors is essential, and we are grateful for the many ways that parents go above and beyond to help our school thrive.

MASS / CONFESSION OBLIGATION

We ask that you pledge to do your best to:

- attend Catholic Mass on Sundays and Holy Days of Obligation with your child if your child is Catholic
- attend Church Services with your child on Sunday if your child is not Catholic
- have your child go to Confession at least once a year if your child is Catholic
- encourage your child to see a priest for a blessing if your child is not Catholic
- make an effort to attend the Children's Mass which is celebrated each Sunday at VOL at noon
- Students are encouraged to become lectors, altar servers or choir members.

ARRIVAL AND DISMISSAL

For the safety and protection of the children we ask that you strictly adhere to these policies.

School Hours

Monday ~ Friday

8:15 a.m. ~ 3:00 p.m.

Arrival

Upon arriving at school, students should report to their assigned area. Regular school supervision begins at 7:30 a.m. in the cafeteria. Teachers do not report to their classrooms until 7:50 for homeroom duty. Students arriving before 7:50 should report to the cafeteria. Students arriving between 6:45 a.m. and 7:30 a.m. must report to morning care at the parents' expense. No supervision will be provided before 6:45 a.m.

Tardiness

Tardiness is quite inconvenient to the students and teachers. Please make every effort to see that your child arrives on time for school. Any student arriving at school after 8:15 a.m. must report to the office before going to their homeroom. After the 4th tardy and for each additional tardy in a nine week period, the student will receive a demerit. Excessive tardiness will result in disciplinary action to be determined by the principal. If a student is tardy or checks out early from school, he/she is not eligible for perfect attendance. Excessive tardiness will be reported to the Jefferson Parish Truancy Division.

Dismissal

Any student leaving school before the regular dismissal time must be checked out by a parent/guardian through the office. Please do not go directly to the classroom to get children early. Students cannot be checked out after 2:40 p.m. Please make doctor and/or dental appointments after school hours or on school holidays.

Teacher's duty ends at 3:20 p.m. For your child's safety and protection, he/she will be sent to after care for supervision at the parent's expense if not picked up before 3:20 p.m.

Legal Limitations on Releasing Students

In the case of separated or divorced parents, it is the custodial parent's obligation to submit to the principal custody papers and/or any document that would limit or prohibit the other parent's rights to have the child or the child's records (academic, financial, or behavioral) released to him/her. The school administration and teachers will not be involved in custody battles between parents. We strive to work with all parents/guardians for the benefit of the child. Stepparents, grandparents, and other extended family members do not have a legal right to student records and information unless otherwise indicated by court documentation.

HEALTH / MEDICATION

Health Records

Students' health records must be up-to-date. If a student does not have health records up-to-date or has neglected to turn them in, he/she will be sent home. This is a state requirement. He/she may not attend school until immunizations are received.

Emergency Cards

All students must have an emergency card on file in the office. In case of an emergency, we require that you list the name and phone number of a relative/friend we can contact if you are unable to be reached at home and/or work. Please notify the school of any address or phone number changes that may occur during the school year. For safety reasons, we ask that you list the name of individuals who are able to sign your child out of school before the regular dismissal time. A written note is necessary if someone other than the names listed on the emergency card will be checking your child out of school early.

On the back of the emergency card, it is also necessary to list any allergies or medical problems your child may have and any medication that your child takes on an ongoing basis. Please update records when information on allergies or medical conditions change.

Request to Administer Medication

Students should never have any type of prescription or over the counter medication in their possession. This includes cough drops, throat lozenges, aspirin and ibuprofen. This is for your child's safety.

School personnel cannot administer any type of over the counter medication or short-term prescription medications to students. Parents can come to school and administer medication to their child if necessary.

Long-term or emergency (Epi-Pen) prescription medication will be administered to your child under the following conditions:

An Archdiocesan medical consent form must be completely filled out before school personnel can administer prescription medication. This form, which can be downloaded from the school's website, requires a doctor's signature, prescribed dosage, and the time to administer the medication. All medication should be in the original container and properly labeled with the student's name. If a student's prescription for long term medication changes, a new form is required. Pre K-2 parents are also required to complete a form required by licensing department.

Contagious Disease

Contact the school if your child has contracted a contagious disease. Students absent with contagious diseases must present a doctor's note upon returning to school stating the reason for their absence. Students must be fever free for 24 hours before returning to school.

Lice

Please remember that lice is also contagious and not necessarily a result of poor hygiene. There is no need to feel uncomfortable about reporting head lice. This will assist us in stopping its spread.

If a child is at school and lice is suspected the following steps will be taken:

- ◆ The student will be sent to the office.
- ◆ If lice are detected, the parents will be notified so arrangements can be made to check the child out of school. A student will not be allowed to return to class once lice have been detected.
- ◆ Students may return to school 24 hours after treatment has been applied and no nits remain.
- ◆ Upon returning to school, a parent must bring the child to the office to be checked before going to class. Only if the child's hair/scalp is free of lice and nits will he/she be allowed back into school.
- ◆ Proper cleaning of the entire household (combs, brushes, pillows, carpet, upholstery, linens, hats, etc.) is also necessary to stop the spread of lice.
- ◆ The school will send out notification to parents as well as spray the classroom once there has been a confirmed case of lice.

Safety

In an effort to be proactive in response to emergency situations, safety drills and procedures are routinely reviewed and practiced. This allows students and staff the opportunity to become comfortable with procedures in the event of an emergency.

As a campus safety measure, all campus visitors must enter via the main school doors and report to the school office to sign in and receive a visitor's badge. At 8:15 am each day, all school entrance gates around the perimeter of the school are locked. **This school and all school sponsored events are firearm free zones pursuant to Louisiana law. This law applies to all students and non-students; however law enforcement personnel are exempt.**

We strive to create and maintain a safe environment for all students and staff. This includes proper instruction for safety in our science classrooms/lab. You should always be aware of the safety instructions that are given to students before beginning any lab work. Please review the Archdiocesan guidelines that can be found here:

http://school.vol.org/info/arno_sciencelabpolicy.pdf.

Time spent outdoors is an important part of the school day since it allows students an opportunity to engage in activities that allow them a break from the structure of the classroom. Due to certain weather conditions there are times when it may not be safe for students to be outside. The guidelines listed below will be used to determine if students should remain indoors for recess and P.E. classes. Please be certain your child comes to school with the necessary outerwear based on the weather conditions during the winter months. We use WWL to determine current, local conditions during extreme weather days.

- A heat index range of 98⁰ to 104⁰ indicates cautious conditions. Students will go outside but will be restricted to no physical activity.
- A heat index of 105⁰ or above indicates severe conditions. Students will remain indoors.
- If the wind chill temperature is 35⁰ or below, the students will have indoor recess.

ATTENDANCE

Absentee Policy

When a student is absent, a parent/guardian must call the school office at 347-3377 before 9:30 a.m. If a student will be out for a longer period of time (three or more days), alert the office the first time you phone. Always give the child's name, homeroom and number of days he/she will be absent. The school's web site's homework link (school.vol.org) can be accessed daily to verify homework assignments.

The number of days a student is allowed to be absent per school year is seventeen (17). Please be aware that frequent absences hinder academic progress, and should the number of absences exceed seventeen (17) days the child may be retained. Reasons for absences should be limited to illness, health conditions, and/or family emergencies. **Makeup work and/or tests will only be rescheduled with proper documentation of absence, which must be provided upon returning to school.** To assist in your child's academic progress, please schedule doctor's appointments and/or family vacations around early dismissal days and school holidays.

TECHNOLOGY

All students are allowed to use the computers once the Visitation Acceptable Use Policy has been read and the appropriate contract has been signed by the parent and student. This policy outlines specific rules and regulations for computer and Internet use. In addition to this contract, parents must sign a Website Picture Consent Form granting permission to Visitation to publish their child's name or likeness on the VOL School/Parish web site on the Internet. These contracts are kept on file in the school office and are valid as the student advances in grade level.

The school website (school.vol.org) is intended to be a means of communication for the parents. Please access our website to view updated information about school events, calendars, cafeteria menus, teacher web pages, and homework assignments. School wide notices are sent via email to parents who register for PlusPortals. To register for this service, visit our website, select PlusPortals and follow the steps to receive your activation code.

SOCIAL MEDIA POLICY

As an organization with a commitment to quality education and the safety of our students, as well as the preservation of our outstanding reputation as a school, the standards for appropriate online communication at Visitation of Our Lady are necessarily high. While we respect the right of students, parents, faculty, and other members of our community to utilize the variety of social media options available, we must insist that the following standards be met by our students, parents, and faculty at all times.

First and foremost, students are encouraged to always exercise the utmost caution when participating in any form of social media or online communications, both within the VOL community and beyond.

Students who participate in online interactions must remember that their posts reflect on the entire VOL community.

Students, parents and faculty are expected to abide by the following guidelines to protect the privacy of all:

- Under no circumstance should electronic images (video or photos) of VOL community members taken either on campus or at VOL sponsored events be posted online unless parent/adult permission has been obtained for all parties involved.
- Social media sites are not to be used to publish distasteful and/or inappropriate remarks about VOL school or community members.
- Those who choose to post editorial content to websites or other forms of online media must ensure that their submission does not reflect poorly upon the school.

Failure to abide by this policy, as with other policies at VOL, may result in disciplinary action.

SPECIAL NEEDS / ACCOMMODATIONS

It is at the sole discretion of the principal to determine the nature and extent of accommodations within the classroom for students with special needs. The principal also reserves the right to ask a student to withdraw if a more appropriate learning environment is needed.

COUNSELOR

The goal of the Developmental Counseling Program is to aid students in meeting the challenges of modern life secure in the knowledge of themselves, the world around them, and the skills to formulate, articulate, and actualize their uniqueness. A full time professional counselor provides individual sessions for all grade levels, classroom sessions periodically, and small group sessions to explore issues and problems important to each respective age group.

The counselor also works in conjunction with administrators and is available to all teachers for consultation. Students usually make their own appointments to see the counselor, either individually or in groups. A teacher may refer a student to see the counselor. Parents are always welcome to call or to schedule an appointment if they have any concerns they would like to discuss regarding their child. Please refer to the counselor's website for more information and resources.

HOMEWORK

If you want your child's assignments for the day(s) he/she will be out of school, you can access the school's homework link (school.vol.org) to receive or verify homework assignments. If you need to request books, please call the office by 9:30 a.m. Books can be picked up in the office before 4:00 p.m.

Homework is a vital part of learning. All students are required to spend a certain length of time in daily study. Written homework is only one segment of learning. Homework (written and study) is given to reinforce what was taught. Having complete or incomplete homework will affect your child's grades. As a guide to the parents, we offer the following time schedule:

Grades 1-3	45-60 minutes (more or less according to the ability of the child)
Grades 4-6	60-90 minutes (more or less according to the ability of the child)
Grade 7	90-120 minutes (more or less according to the ability of the child)

Reading for enjoyment should be part of studying each night. This will improve the reading skills, as well as broaden the educational background of the student. All students in 1st – 7th grades participate in the Accelerated Reader Program to foster a love of reading. Please encourage daily reading at all levels.

GRADING / PROMOTIONAL POLICIES

Grading Scale

Grades are based on quizzes, tests, exams (7th grade only), class participation, class work, and homework. The numerical grading scale used is:

100-94	A	Outstanding Achievement
93-86	B	Above-Average Achievement
85-78	C	Average
77-70	D	Below-Average
69	U	Unsatisfactory

End of the Year Averages

The four quarter grades will be averaged according to quality points: A=4, B=3, C=2, D=1, and U=0. At least three quality points are needed to pass. **Any student failing the last quarter may fail the subject for the year.**

Academic Progress

The PlusPortals online grade reporting system utilized for all 1st through 7th grade students provides up to date information about academic progress. It is the parents' responsibility to check the online grading system often to stay abreast of your child(ren)'s current average in each subject area.

Report Cards

Report cards are distributed each quarter during the school year.

Honor Roll

Scholastic "A" and "B" honor rolls are computed each quarterly marking period.

Students who earn A's in all graded areas (conduct and academic) on their quarterly report card will be placed on the "Principal's List".

If a student has a "C," "D," or "U," he/she is **not** eligible for the "A" honor roll. The student's grades must average 3.5 or higher on a four-point scale to be placed on the "A" honor roll.

If a student has more than one "C," a "D," or a "U," he/she is **not** eligible for the "B" honor roll. The student is placed on the "B" honor roll if their grades average between 2.5 and 3.49 on a four-point scale.

Summer School

Summer school is required for any students whose final average in any major subject area is a U. In primary grades, Religion, Math and Reading/Language Arts are considered major subjects. In grades 4-7, Religion, Reading, Math, Science, Social Studies and English are considered major subjects. Anytime a student is required to attend summer school, he/she is conditionally promoted and placed on academic probation. If a student fails Language Arts in the primary

grades (1-3), he/she will be retained. If a student fails more than two major subjects, in grades 4-7, he/she will be retained. If a student is recommended for summer school, attendance is optional. If your child is having trouble in any subject area, feel free to discuss with the teacher steps that might be taken to avoid summer school or retention.

PARENT-TEACHER CONFERENCES

Communication between parents and teachers is extremely important and necessary. Parent-teacher conferences are scheduled throughout the school year to discuss your child's progress. At any time during the year, if you have questions or concerns about your child, please call the office and leave a message for your child's teacher. Under no circumstances should a parent go directly to a classroom during the school day to discuss a concern with the teacher. This includes morning homeroom and dismissal times. Teachers are on duty and cannot discuss concerns or answer questions at this time. They can phone you later that evening. If satisfaction is not received after speaking or meeting with a teacher, parents are encouraged to make an appointment with the principal. It is recommended that the teacher is contacted first and an attempt is made to resolve any concerns.

Parents are encouraged to stop in at any time to see the principal with comments or concerns. There are times; however, when meetings, previous appointments, or other scheduled commitments would necessitate a wait. To avoid any inconvenience, you may consider calling to schedule an appointment or send an email to clevet@vol.org. The principal will respond to you as soon as possible.

FOOD SERVICES

The Visitation of Our Lady cafeteria staff provides nutritious, well-balanced meals daily. Breakfast is available every morning from 7:30 a.m. until 8:00 a.m. for students in K - 7th grade. Menus are posted in the cafeteria and on the school web site.

The prices for lunch and breakfast are set at the beginning of each school year. Money is paid monthly and is due on the first Monday of the month. Students must have a positive balance at all times.

Checks are accepted August through April. A \$30.00 service charge will be assessed for any returned check. Credit card payments are accepted online. During the month of May lunch payments must be made in cash. No checks will be accepted in May. Extras (sandwiches, water, fries, etc.) are available to 3rd – 7th. Please notify the cafeteria manager if you want your child's lunch account blocked from purchasing extra food. The cafeteria manager can be reached at 347-2278. No student is allowed to go without lunch because he/she does not like what is being served. If a student cannot drink milk, he/she must bring an annual doctor's note and juice will be provided.

On very special occasions, a parent may come to eat lunch with their child. We feel this is a time for children to learn social skills by eating and conversing with their peers. We ask that parents' lunch visits be infrequent and prearranged with the office, cafeteria manager, and the child's teacher.

Sack lunches that are brought from home should provide the child with a well-balanced meal. Students may bring only fruit juices, milk and/or water to drink. No canned, carbonated drinks of any type are allowed. Foods from fast food establishments cannot be brought into the cafeteria for consumption. All non-nutritious snacks should be eaten at recess.

TRANSPORTATION

Jefferson Parish Public School System provides transportation to those students in grades K-7th who live within Visitation Parish boundaries and live more than one mile away from school. Parents and students using Jefferson Parish transportation must follow all procedures and policies set forth by the Jefferson Parish School System.

Bus riders are expected to be courteous to other passengers and to the bus driver. Students should be safety-conscious and must conduct themselves in a manner that will minimize hazards. Students should remain seated at all times and refrain from throwing objects out of the windows. According to Jefferson Parish policy, cell phones and school bags with wheels are not allowed on the school bus. A student who becomes a discipline problem on the bus may be deprived of the privilege of riding the bus.

If a student is riding a different bus home for a day, he/she must bring a note written by the parent/guardian for the principal's approval. Bus drivers will not allow a student to ride unless this permission has been cleared ahead of time and then only if they have space.

DISMISSAL PROCEDURE

Please adhere to the dismissal procedure posted on the school website. Be courteous to other drivers and staff members on duty in the parking lots. Also be cautious of other children being dropped off and walking in the parking lot. Everyone's safety is of utmost importance.

General Procedures for students and parents:

- If you need to check out your child early, please do so by 2:40 p.m. Students checking out early are not eligible for perfect attendance and the check out is reported on the child's report card.
- Parents should not go to the classrooms during dismissal. All teachers are on duty and cannot converse with you at this time.
- The circular drive in front of the main building is reserved for buses and Cajun Fest silent auction winners. Please do not park here to pick up your child between the hours of 2:50 – 3:30.
- **When you pick your child up each day, please do not park and get out of your car. This creates a traffic flow problem for the car pool line. You should also not park at business establishments in the area.**
- **Students are not allowed to walk across the parking lot or the street to meet their parents at a parked car.**
- Students should always walk to their designated area (gym or cafeteria).
- Students not picked up by 3:20 p.m. will be sent to after care.
- The office must have written permission on file if you allow your child to walk or ride a bicycle home after school. **This must be submitted yearly.**

Car Pool/Car Riders

- Students who ride home in cars are dismissed at approximately 3:00 p.m. Please display a sign on your dashboard with the name(s) of the child(ren) you are picking up. Students are brought to the dismissal areas as a group and picked up using a car pool process. Please refer to the dismissal diagram that is posted on the school web site. Picking up students from the wrong side of the campus will only add to confusion at dismissal.

- Due to P.E. classes and school activities, the gate on the Barataria side of the campus cannot be opened before **2:40** each day. Do not block the flow of traffic on Barataria by stopping on the road to wait for the gate to open. This causes a dangerous traffic situation on Barataria Blvd. for which you can be ticketed.
- **Pre K-2 through 1st grade** students are dismissed at 3:00 from the Barataria lot. Students will be escorted by teachers and assistants to the Barataria parking lot for pick up. You should not go to your child's classroom. Duty teachers will assist getting your child to the car. You do not need to park and get out of your car to meet your child. Use the car pool line. Also please pull up as close as possible to the car in front of you in the car pool line. This will allow more cars to get into the lot.
- **2nd through 7th grade** students are dismissed from the Ames parking lot (by the café). Teachers will escort children to this dismissal area. There are 2 car pool pick up lines. 5th-7th grade parents should use the car pool line nearest Ames Blvd., and 2nd-4th grade parents should use the car pool line that goes under the church covered entrance.
- To avoid confusion for families with children in multiple grade levels, students in 2nd ~ 7th grade with a younger sibling in Pre K-2 through 1st will be dismissed from the Barataria parking lot at 3:00.

Buses

- Buses usually arrive between 3:00 p.m. and 3:20 p.m.
- Students need a written note from a parent that is approved by the office to ride a different bus in the afternoon

BEHAVIOR

As stated in our school philosophy, students are instructed in Christian principles and values. We encourage sharing with and caring for each other.

Our school wide discipline plan promotes respect and cooperation that is conducive to meeting the academic needs of each student. Students who choose not to follow policies and regulations are subject to disciplinary action. Any disciplinary action taken against a student is strictly confidential. Student privacy acts prohibit the school from discussing disciplinary consequences with anyone except a child's parent or guardian.

School Rules

- Respect yourself, others, and Visitation of Our Lady School
- Have a positive attitude
- Be prepared for class
- Be an active learner
- Abide by the rules and regulations in the student handbook

Each grade level has additional rules of acceptable behavior appropriate to their age. Teachers use a discipline program that stresses rewards and positive affirmation for students who exhibit acceptable behavior.

Visitation of Our Lady School does not tolerate bullying in any form. Bullying behavior is defined as repeated and persistent verbal, written, physical, or psychological action, implied action or communication intended to cause harm, fear or distress to another person (or group of persons). An imbalance of power between the aggressor and the target is often involved.

Bullying is a means of control and may be carried out directly through physical, verbal, written, or electronic means, or indirectly through social and emotional aggression. Bullying includes any of the foregoing by a person even if the person did not initiate any of the foregoing but perpetuates it. Students are instructed yearly by the school counselor in bully prevention methods.

Please familiarize yourself with the official Archdiocese of New Orleans Anti-Bullying Policy. A copy can be found at http://school.vol.org/info/arno_antibullyingpolicy.pdf.

Discipline Policy

Students who do not abide by the rules and regulations stated in the handbook will receive a demerit for their infraction. This demerit acts as a warning for the unwarranted behavior. After 3 demerits the student will receive an after school detention. Parents will receive written notification if their child earns a detention. Students who receive 9 demerits (resulting in 3 detentions) will then have a scheduled conference with their parents, teacher(s), and an administrator. Continued disciplinary behaviors will result in a referral to the **principal**. The parent will be notified and the student may be subject to disciplinary probation.

Detentions will be held weekly after school until 4:30 p.m. for students in grades 1-7. Students who are given a detention must make arrangements to stay on their assigned day. **Please do not call and ask for special consideration (excuses not accepted)**. A student should be encouraged to act in such a way as to not jeopardize any family function or after school activity by receiving a detention.

Parents are responsible for their child's actions whether intentional or accidental. The school cannot be expected to pay for damages to the facility or another individual due to your child's actions. Please encourage your child to act responsibly.

Referrals

A student may receive a referral for any of the following offenses which could result in an automatic detention, suspension or expulsion:

- Violence, verbal or written threats of violence
- Bullying/cyberbullying
- Fighting-two or more students involved in an exchange or attempted exchange of blows
- Profane or obscene language, writings, gestures, drawings or actions at all school functions (on or off campus)
- Cell phone use (visible or audible sound) and other electronic communication devices
- Unchristian comments about classmates or teachers
- Theft-taking property without permission of owner
- Deliberate disobedience
- Disrespect to the staff
- Dishonesty (cheating)
- Forging parent's signature
- Marring of school property
- Unauthorized leaving of school grounds
- Repeated detentions or as a result of a referral
- Other serious violation of school rules
- Inappropriate use of social media

A first SUSPENSION will be held in school. Additional SUSPENSIONS may be served either in or out of school at the principal's discretion. A conference with the principal will then be mandatory. A serious offense after that may result in EXPULSION.

Expulsions

Smoking, carrying of cigarettes or tobacco, possession of alcohol or drugs, carrying knives or other weapons on school grounds, attempting to harm a staff member physically, serious assault on another student, a verbal or written threat of violence, etc. may be grounds for EXPULSION without any prior suspensions. The principal also reserves the right to expel a student for any other type of serious offense committed.

Prejudices against any race from parents or students will not be tolerated and may also be grounds for expulsion.

Unacceptable behavior of the parent(s) will not be tolerated. Abusive language, threats, and/or insults to a teacher, an administrator, or other students are not compatible with our school mission or philosophy. Such action may result in EXPULSION of the student. We are here to work together. We encourage parents to try and work out any problems with the teacher before going to the principal.

To make an appeal concerning a decision made by the school administration in regards to a suspension or expulsion of a student, parents may appear before the pastor/school board.

Search and Seizure

For health and safety reasons, the school reserves the right during the school day, at all school sponsored activities (such as field trips, extra curricular activities, etc.), during, before and after school or while the student or his/her possessions are on campus to carry out reasonable search and seizure by school officials of any student or their possessions for materials or objects which are in violation of school policy.

Abuse and Neglect of Minors

In accordance with Louisiana Law 14:403, any persons or agencies who are responsible for the care of children, such as physicians, nurses, principals, teachers, and social workers who suspect that a child's physical or mental health or welfare is or has been abused are required to report such cases to the proper authorities.

FIELD TRIPS

Educational field trips are scheduled in conjunction with the curriculum. All trips are optional and are offered at an additional cost to the parents. Students are permitted to attend the field trip only if parents complete, sign, and return the field trip permission form. Supervision in an academic setting will be provided for students opting not to participate.

The teachers often have meaningful activities planned after a field trip, so the school discourages checking your child out early on these days. Any early checkout is recorded on the child's report card.

The number of chaperones chosen varies upon the age of children and nature of the trip being taken. Only parent/guardian chaperones are allowed on field trips. Siblings are not allowed to

attend. To avoid confusion, we request that you not attend a field trip if you are not chosen as a chaperone.

Students who consistently choose not to cooperate with school policies may need to have parental supervision on field trips. Parents will be notified in advance so they can make arrangements to attend. If parental supervision cannot be provided, the student will be required to remain at school in a supervised academic setting.

EXTRA-CURRICULAR ACTIVITIES

Extra curricular activities vary from year to year depending on teacher moderators. At the present time V.O.L. offers:

Club	Grade Level	Requirements
Art	K – 6	Fee
HALO Club	5 – 7	None
Student Council	5 – 7	Peer Election
Altar Servers	4 – 7	Recommendation
Cheerleading	5 – 7	Tryouts
Band	4 – 7	Fee
Choir	3 – 7	None
Athletics	5 – 7	Tryouts
Math Club	6 – 7	Strong Math Skills
Quiz Bowl	5 – 7	None
Girl Strong	3 – 4	Fee
1 st Gr. Math	1	Fee

Most clubs hold meetings at recess or after school hours. Students should make arrangements ahead of time for transportation.

Visitation hosts several athletic home games during the school year. V.O.L. requires that the following rules are adhered to:

- Any student leaving our campus and returning later to attend a game must have a parent or guardian attend the game as his/her chaperone.
- Students are not allowed to leave the school grounds at any time during school hours or when remaining after school for extra-curricular activities as a participant or as a spectator.
- Transportation arrangements need to be made prior to game day. Junior games begin at 3:30 p.m. and end at approximately 4:30 p.m. Senior games begin immediately following junior games. Occasionally senior games end after the 6 p.m. after care closing time. Please be mindful of this when picking up your child.
- Students should remain in the area where the game is being played. For safety purposes, students should not congregate around the bathrooms or classroom facilities.
- Team members as well as parents and spectators must exhibit qualities of good sportsmanship at all times. School rules and consequences apply even at after school games.
- Students in aftercare will have the option to attend home games if they are in 5th – 7th grades. Younger students (K – 4th grades) can only attend games if accompanied by their parents.
- Team members are not penalized for early check outs for away games. If siblings are checked out early to attend an away game, they must be checked out in the office. The check out is recorded on the child's report card and cumulative record.

BEFORE / AFTER CARE

Any family using after care services must fill out an after care registration form and pay an annual registration fee. Registration forms and guidelines are posted on the school's website.

Services are provided regularly each morning from 6:45~7:30 a.m. and from 3:00~6:00 p.m. each afternoon. All school policies and rules apply during these times. A homework room is available during the after care hours for students to do their homework assignments. A teacher is available to assist students if help is needed.

Do not drop off your child before 6:45 a.m. The school will not be responsible for any students dropped off before 6:45 a.m. Students who are absent are not allowed to use before and after care services for the dates of absence.

Before and after care fees are set at the beginning of each school year and should be paid on a weekly basis. Payments not made on a weekly basis will incur late charges. If payments are not made on a regular basis, before and or after care services will be denied.

Parents must come into the after care room and check their child out each day. Call (400-7465) to notify the staff if someone other than a parent will be picking up your child. Also please be mindful of our 6:00 p.m. closing time. We would appreciate your cooperation in picking up your child on time. You will be denied use of the after care services if you are not punctual in picking up your child. Additionally, a fee of \$1.00 for each minute after 6:00 p.m. will be charged.

SCHOOL UNIFORM / DRESS CODE

The purpose of a uniform is to keep our students uniformly dressed and looking their best. Uniforms should always be clean and not tattered or torn in any manner. **PLEASE DO NOT PURCHASE CLOTHING OR ANY ITEM THAT DEVIATES FROM OUR POLICY.** As parents, it is your responsibility to see that the uniform regulations are followed by your child(ren).

Inka's Uniforms is the only uniform company officially contracted to sell Visitation uniforms. The store is located at 1617 Hickory Ave. During the summer a road sales is scheduled here at school for your convenience. If you have any questions or concerns, the store numbers are 739-9866 or 1-800-780-8751. Additionally, the web site is www.inkas-uniforms.com.

If a student must be out of uniform for some reason, a written note should be sent explaining the circumstances. A note is valid for 3 consecutive days. If a note is not sent, your child is subject to disciplinary action or may be required to call home for an appropriate uniform.

GIRLS:

1. Pre K-2 students should wear the school spirit t-shirt. Spirit shirts are available at the school supply sale in August. Any type or color of pull-on shorts or pants can be worn. Socks and any color Velcro closed toe tennis shoe are required.

FINANCES

To change your child's tuition status from non-Catholic to Catholic will incur a \$25.00 charge.

If parents decide to finance their tuition by making a loan, parents are responsible for following the payment schedule prepared by the bank, as well as the guidelines listed in this section.

Tuition Loan Guidelines

Please be certain that you thoroughly review and understand the guidelines listed below. It is extremely important that payments are made before the 13th of each month. First Bank & Trust provides funds to Visitation each month as your monthly payment is made. We are counting on you to make your payments on time in order for us to meet our monthly operating expenses. Your

July 11, 2018

cooperation in meeting your financial obligation to the school in a timely manner is expected. If you have any questions, please do not hesitate to contact us.

- The school has the capability to view all tuition loan account balances on line. A review of account balances will be done on a daily basis to ensure that proper payments are being made on time.
- Tuition loan payments are due on the third day of each month beginning in **July** and ending in **April**. Payments not made by the **13th** of each month are considered delinquent and are assessed a **late fee**. Any late fees incurred must be paid monthly. Auto payments are also deducted on the **3rd** of each month.
- If a loan is cancelled for any reason, the parents are responsible for all fees incurred.
- **July** and **August** loan payments must be made in order for a student to begin school in August.
- Students in **Pre K-2, Pre K-3** and **Pre K-4** will not be allowed to attend school if tuition is delinquent. Parents will be notified if a payment is delinquent.
- In the event that an NSF check is written for a tuition payment, the original past due date will apply.
- Your monthly tuition payment **MUST** clear the bank by the last day of each month.
- Any loan that is **45 days** past due will be charged back to the school and a **\$100.00 charge back fee** will be assessed. The full loan balance plus the charge back fee is due in cash to the school in order for the student to continue attending school.
- If a family's tuition loan is charged back on more than one occasion during their years at Visitation, the family will not be eligible to obtain a loan to pay their tuition and fees.
- All tuition accounts must be current in order to reregister for next school year. Registration for new students takes place each February, and the school cannot hold a space for students whose accounts are not up to date. If your tuition loan becomes delinquent after registration, the family will be subject to having their registration for the subsequent year dropped.
- The last tuition loan payment must be paid by **April 13th** or the loan is charged back to the school and a **\$100.00 charge back fee** will be added to the balance.
- If 2 parents share responsibility for tuition, be mindful that only one tuition loan per year with First Bank and Trust can be made.

NSF Checks

A \$30.00 service charge will be assessed for ANY returned check made payable to Visitation of Our Lady (this includes the school, Co-Op, cafeteria, etc.). The amount of the returned check plus the \$30.00 service fee is due in cash immediately upon notification by the office staff. ***All business must be on a cash basis until this matter is resolved.***

Refund Policy

If a student withdraws from school before the end of the school year, the parent or guardian must notify the school office. If the tuition was being paid through a loan with the bank, the office will cancel the loan.

If a tuition refund is in order, it will be issued as soon as possible. A \$25 processing fee will be assessed for all loan cancellations/refunds. Refunds for tuition and fees will be calculated as follows:

<i>Registration Fees</i>	Non-refundable
--------------------------	----------------

Non-parish and Multi-Purpose Building Fees

Non-refundable after the first day of the school year

Tuition

Tuition will be refunded based on the amount the family has paid less the amount of tuition used. The amount of tuition used will be determined by multiplying the number of calendar months the family is enrolled in school times 1/10 the amount of the sum of tuition. A partial month will be counted as a full month.

No refunds will be issued after March 31.

Example:

A family pays \$4,380.00 in tuition for one child. The child is enrolled in school through mid October.

1/10 Tuition	\$438.00
Tuition used (Aug., Sept., & Oct.)	3 X \$438.00 = \$1,314.00
Refund	\$4,380.00 - \$1,314.00
Processing Fee	- \$25.00
	<hr/>
	= \$3,041.00

DEFINITION OF A PARISHIONER

The Long Range Plan for Archdiocesan Elementary Schools calls for parishes to provide financial support for the children of registered, active, supporting parish families who are enrolled in Archdiocesan elementary schools.

To be eligible for financial assistance from your parish for the purpose of school tuition, your family must be:

- **REGISTERED**—any individual or family who filled out a parish census form or some written document declaring membership in a particular parish that has been accepted by the local pastor.
- **ACTIVE**—the individual or family who is regular in attendance at Mass on Sundays and Holy Days of Obligation.
- **SUPPORTING**—the individual or family who is a regular financial contributor to the parish in accord with the stewardship program of that particular parish.

Each parish is allowed to define for itself what “registered,” “active,” and “supporting” means. The following definitions have been established to qualify for support from Visitation of Our Lady Parish.

REGISTERED: Parents or legal guardians are considered registered in Visitation of Our Lady Parish if they live within our parish boundaries and are registered in the parish according to Archdiocesan norms. Also, parents residing outside the geographical boundaries of the parish and who likewise have registered at Visitation according to Archdiocesan norms meet this criterion.

ACTIVE: Parents or legal guardians are considered active in Visitation of Our Lady Parish if they regularly fulfill their Sunday and Holy Days of Obligation by attending Mass at Visitation of

Our Lady Church. Additionally, it is expected that they will have participated in at least one parish organization, work activity, or liturgical ministry for the previous year. For example, a parent might be active in the St. Vincent de Paul Society, the Co-op Club and yearly fair, or serve as a reader at Mass. Mass attendance will be verified by the record of the weekly use of the parish envelope system. A one-time offering at year's end will not suffice. Note Well: Simply dropping a child off for Mass with a Sunday envelope, or mailing the envelopes to the parish office is unacceptable to be considered an active member of the parish.

SUPPORTING: The criteria for a registered, active, and supporting parishioner has changed. To qualify a family must contribute \$500.00 for 1 child or \$800.00 for 2 or more children during the 2018 calendar year. Your increased support of the parish is necessary in light of the fact that the church has increased the subsidy to the school for capital improvements.

If a child was baptized Catholic but has not met the sacramental milestones, i.e. Holy Communion in second grade, the family will be given the tuition rate of a non-Catholic student.

If a family with students in Visitation of Our Lady School is judged not to qualify, the parents will be responsible for paying the amount of the voucher to the school themselves. These criteria, according to the above definitions, will determine your eligibility for the 2019-2020 school year. If you are not currently fulfilling these criteria, you must begin now to fulfill this obligation.

EMERGENCY CLOSURES

In the event that it is necessary to close school or end the day's session early, an announcement would be broadcast over local radio and/or television. Parents will also be notified of an emergency school closure by our school automated messaging system. Parents may also sign up for VOL parish messages via our Twitter account at twitter.com/volparish. All emergency closure information will also be posted on the school's website. The decision to close school is made through Jefferson Parish or the Archdiocese, so we would appreciate you not calling the school office for this information. It is important to keep phone lines free for emergency calls.

OTHER GENERAL INFORMATION

All parents and visitors must sign in and get a visitor's pass in the school office before going to a classroom for any reason.

Students are responsible for the care of their textbooks during the school year. Books that are lost or destroyed in any manner must be replaced at the expense of the parent. Textbooks should never be written in and they must be covered at all times

School bags with wheels are permitted in 3rd through 7th grades. School bags with wheels are not allowed on the school bus and must be carried up/down the stairs by all students that have classes on the second floor.

Parents are urged to mark all their child's books, bags, clothing and supplies with their name and room number. A lost and found area is located under the stairs for any lost items. On the last Friday of each month, unclaimed items will be disposed.

If a student forgets an assignment, a book, and/or a signed test, etc., he/she will not be allowed to call home. Students must learn responsibility and accept the consequences. Parents can help by

not catering to their child. Therefore, students may not use the phone to call for forgotten supplies.

No bulletin or any type of communication may be sent out through the school, class or teacher without permission from the office. This is for your protection as well as ours. **Party invitations are not to be distributed at school;** they need to be mailed or phoned.

If copies of school documents or records are necessary (with the exception of school transfers), research and copying costs will be incurred. A minimum of 3 days notice is also required.

If parents wish to do something for the 7th graders, this should be done after the students have graduated. The school has meaningful activities planned for the students.

Students are not allowed to leave the school grounds at any time during school hours. This includes the time before and after school while waiting for the bus, or if remaining after school for meetings, games, detention, tutoring or any other reason. This is for the safety of your child. **LEAVING SCHOOL GROUNDS WILL RESULT IN SUSPENSION.**

Students are not to bring electronic games, cell phones, smart watches, radios, headsets, tape recorders, and/or newest fad toys (games) etc. to school. Many of these items are expensive and should be kept at home. The school is not responsible for the loss of these objects or any other toys or games brought for play at recess.

Although the use of cell phones has become a way of life, the use during school, at after care, or on the school bus is prohibited. Students are allowed to use the office phone to communicate necessary information to parents. If a cell phone rings, is in use, or is visible, it will be taken away and turned in to the office. The phone will only be returned to a parent by a member of administration. A referral and an automatic detention will also be issued to the student.

Snacks are permitted during recess only. There should be no chewing of food, gum, or other objects during class.

School wide Masses are celebrated weekly on Wednesday in church. We invite and encourage as many parents as possible to join in the Eucharistic celebration.

Visitation Co-Op Club meets regularly. All parents are strongly encouraged to show their support by attending these meetings. Dates are posted on the school calendar.

Throughout the year Visitation of Our Lady Parish sponsors events which involve student participation either at church, at school, or in the community. Through participation in these events, students are helping fulfill our school mission to *“Inspire Catholic Faith and Principles While Encouraging Academic Excellence”*. At all events we want our students to exemplify our Catholic faith not only in word and action but also in appearance. Visitation students should always look their very best when representing the school and the church. The choice of clothing worn at school or church sponsored activities should always be becoming of a Catholic elementary school student. Please refer to the dress code below as a guide when choosing your child’s attire. Participation in an event/activity will be denied if a student’s attire is not in keeping with the dress code.

The current parent/student handbook (2018 - 2019 edition) shall be used for all questions and disputes. In developing the policies, regulations and explanations discussed in this handbook, we have tried to be as specific and comprehensive as possible. However, throughout the school year, other unforeseen situations may arise. The principal reserves the right to make judgments if any such incidents occur. All highlighted sections are additions or revisions from the previous edition of the handbook.
